GVPS ~ A School Of Mathematicians

Three Way Conferences and Reports

Reports will go out today. A reminder to parents to avail themselves of the opportunity to meet with their child and the teachers to discuss progress so far as well as setting goals for the rest of the year.

Football

Congratulations to our football team who competed so admirably and to Mr Jasenia for his coaching at lunchtimes. One of our parents Mr Montrose did a sterling job coaching the boys on the day. A big thank you.

It is just over a year since our students moved into the new buildings and it is fantastic to see how well the students are working.

This term we have had teachers from over fifteen different schools visit our facilities and watch our teachers teach and our students learn. This is a great reflection on what is happening in our classrooms. At GVPS both teachers and students are continually striving to become better at what we do.

Parents hopefully have now seen our advertising on the back and sides of the Tullamarine Buses. The response has been fantastic. We want everyone to know about the wonderful students and teachers that we have at Gladstone Views Primary School.

Don’t forget to enrol any students for next year’s Prep classes and encourage anyone who has not been to the school to please come along to visit us.

Have a great week.

Michael West

SPORT NEWS

Gladstone Park District Football Carnival - 2012

The Gladstone Park District Football Carnival was held on Friday 15th June 2012. Like last year, the carnival was another successful day on the Sports Calendar. This year eight teams entered the competition. They were Aitken College, Isik College, Gladstone Park, Gladstone Views, Good Shepherd, St Dominic’s, United Cats and Westmeadows. Each school played games of 2 x 12 minutes. The Finals and Grand Final were 2 x 15 minutes. The umpires for the day were students from SEDA - Cricket Victoria and they did an excellent job.

The first game of the round saw Gladstone Views play against St Dominic’s. It was an exciting beginning for our team and the boys managed to record a good win against St. Dominic’s. The second game against Isik College was very challenging and Isik College were leading at the break. After some solid coaching instructions from Anthony Montrose at half time, the Gladstone Views team put in a more competitive performance in the second half and managed to win the game. In the third game, Gladstone Views played against Westmeadows, who were 2011 and 2012 premiers. It was a tough game with Gladstone Views playing a particularly tighter second half. Unfortunately we didn’t manage to win that game. At the end of 3 games, Gladstone Views was placed 3rd on the ladder just ahead of Aitken College on percentage and went on to play off in the 3rd v 4th final. This was another tough tussle played on a larger oval. The result of that game was Aitken College (2 5 17) d Gladstone Views (1 2 8). The team thoroughly enjoyed the day, having the opportunity to play in 4 matches. The boys made the effort to play their best with mention to be made to Seth P, Liam M, Daniel O, Sean D for their solid, consistent efforts. A huge thank you must go to Anthony Montrose who spent the whole day with the team addressing the players before each game and at half time and outlining field positions and game tactics. Also thank you to all the wonderful parents who came to watch and support the team and Kim Rowe who had her first stint at Goal umpiring.

The District would now like to thank the North Melbourne Football Club for showing their outstanding support by donating various prizes (hats and books) for the players. The District would also like to thank Alison Clark and Robbie McCoy for helping convene the carnival and the Jacana Football Club for letting the Gladstone Park District use the grounds and opening the canteen for the day. Also a special thank you to Wayne Schultz from Westmeadows who organised the carnival.

Cross Country - Hume and Northern Metropolitan Regional Carnivals

Congratulations to our five students (Louana G, Megan S, Rebecca S, Paige M and Liam M) who went on to compete at the Hume Cross Country events in Bundooora last Thursday June 14th. They all put in a tremendous performance and three of our runners (Liam M - 4th, Louana G - 3rd and Megan S - 10th) qualified to progress to the next level which was the Northern Metro Regional competition and only one level below State competition. All Competitors who compete at the Hume and Regional levels are very good cross country runners and so the school is extremely proud of our five students who made it to these levels and gave up so much of their time to do the required training.

** DISCO **

Suddenly I woke up and straight away got dressed and went to school. When I got to school I realised that today was the Disco. When we got there we started to dance to the music under the glittering disco ball. I kept on discoing in my casual clothes. The DJ's name was Adam. Adam gave out sticks. The disco went for an hour. I had a great morning.

I jumped out of bed and I quickly got dressed so fast because the big day had arrived. When I got to school I couldn’t believe my eyes because of what my friends were wearing especially Glykeria’s jumper. It had “One Direction” written on it. When the bell went and Mrs Davies opened the door she called me “Princess Kiralee”. We lined up at the door to go to the Disco. When we got to the Disco it was crowded. Lots of people liked what I was wearing. I was very proud. Glykeria and I danced together then we got sweaty and tired but we enjoyed the Dance. I sang my head off at the disco dance. It was very fabulous and fun. The DJ’s name was Adam.

** RUN-A-THON PRIZES **

At last the master list of prizes has been faxed to the supplier. With a little bit of luck we might receive them by the end of term. If not they will be distributed when we return from our holidays. Many thanks for your patience and well done everyone!
