A Reminder: CURRICULUM DAY is Tues. 24th April (No students are required at school)

FROM THE PRINCIPAL

GVPS ~ A School Of Mathematicians

A warm welcome back to all our students and teachers. I trust everyone had a restful break as this term is full of exciting activities.

Our “Ladies Night of Indulgence” is on this Saturday and may I extend my thanks to the hard working organising committee. They have worked tirelessly over a long period to make this a wonderful night for the school.

This Friday we will be having our “Run-a-thon”. The course will be run around the school oval and asphalt area as there are ground works being completed at Ginifer Reserve.

Next Tuesday is our Curriculum Day and we will be focussing on mathematics. While we are really pleased with the progress made by our students it is important to keep improving our teaching and learning approaches to mathematics.

We have had some renovations completed over the holidays. A new surface has been laid in the stadium and the height of the fence outside the library has been reduced. It all looks great.

Further work is also being done on the ceilings outside the classrooms. Have a great week.
